*To Qualifying Shareholders in the Company*

Dear Qualifying Shareholder

## **1. Introduction**

Today it was announced that the Board has approved and declared an interim dividend of 9 cents per share in respect of the six-month financial period ended 31 December 2024 (the “**Proposed Dividend**”).

The Board intends to offer a scrip dividend alternative to the Proposed Dividend (the “**Scrip Dividend Alternative**”) so that Qualifying Shareholders can elect to receive new Shares (the “**Scrip Dividend Shares**”) instead of cash in respect of all or part of their entitlement to the Proposed Dividend. The Proposed Dividend is available to all Shareholders who have Shares registered in their name as at 5.00 p.m. on 21 March 2025 (the “**Record Date**”). However, the Scrip Dividend Alternative is only being offered to Qualifying Shareholders. This document explains how Qualifying Shareholders can elect to receive the Scrip Dividend Alternative in respect of all or part of their entitlement to the Proposed Dividend.

The Board believes that the ability for Qualifying Shareholders to elect to receive dividends from the Company in the form of Scrip Dividend Shares rather than cash is likely to benefit both the Company and Shareholders. If Qualifying Shareholders do elect to receive Scrip Dividend Shares, the Company will benefit from the ability to retain the cash which would otherwise have been paid out as dividends. In addition, the Board is offering the Scrip Dividend Alternative on this occasion in order to enable the Company to comply with the Dividend Restrictions. Qualifying Shareholders can also increase their holding of Shares without incurring dealing costs. Furthermore, the Board has been advised that under current UK law and HM Revenue & Customs practice, certain UK-resident Shareholders may be able to treat Scrip Dividend Shares as capital

for UK tax purposes. Paragraph 6 below (*United Kingdom taxation of the Scrip Dividend Alternative*) contains further details.

At an extraordinary general meeting of the Company held on 8 March 2023, a resolution was passed to grant the Board the authority to offer Shareholders the opportunity to elect to receive scrip dividends as an alternative to a cash dividend.

The Scrip Dividend Alternative is conditional on: (a) the admission of the Scrip Dividend Shares to trading on AIM; (b) the Board not deciding to revoke its decision to offer Scrip Dividend Shares; and (c) the Board remaining satisfied, on reasonable grounds, that the Company will immediately after issuing the Scrip Dividend Shares satisfy the solvency test as set out in section 527 of the Law for the purposes of section 304 of the Law.

## 2. **Scrip Dividend Alternative**

Should a Qualifying Shareholder validly elect to receive Scrip Dividend Shares for all or part of their entitlement to the Proposed Dividend, the Qualifying Shareholder will become entitled to a number of Scrip Dividend Shares in respect of their entitlement to the Proposed Dividend that is based on a price per Scrip Dividend Share calculated on the basis of a discount of 20% to the average of the middle market quotations for the Shares as derived from the Daily Official List (or any other publication of a recognised investment exchange showing quotations for the Company's shares) on the five consecutive dealing days from and including the Ex-Dividend Date (the "**Reference Price**"). The Reference Price is expected to be announced on 27 March 2025.

The election may be made by Qualifying Shareholders, including their nominees, in respect of all or part of their holding of Shares as at the Record Date.

Qualifying Shareholders who elect to receive the Scrip Dividend Alternative in whole or in part in respect of their entitlement to the Proposed Dividend will not be allocated a fraction of a Scrip Dividend Share or receive any cash payment in respect of the fraction. Any entitlement to receive a fraction of a Scrip Dividend Share will be rounded down to the nearest whole number and the fractional entitlement shall accrue to the Company.

If all Qualifying Shareholders were to decide to receive their entitlement to the Proposed Dividend in cash, the total cash dividend payable by the Company (including to non-Qualifying Shareholders) would be approximately €25.1 million (based on the Company's total issued share capital (excluding shares held as treasury shares) of approximately 278.7 million Shares as at 10 March 2025, being the latest practicable date prior to the date of this letter). However, as a result of each of the Company's significant shareholders, Zakiono Enterprises Ltd, CPI Property Group S.A. and Growthpoint Properties Limited (the "**Significant Shareholders**"), undertaking to elect to receive Scrip Dividend Shares instead of cash in respect of their entire holdings of Shares and their full entitlement to the Proposed Dividend pursuant to the Irrevocable Undertakings, the maximum total cash dividend payable by the Company (including to non-Qualifying Shareholders) would be approximately €1.9 million (based on the Company's total issued share capital (excluding shares held as treasury shares) of approximately 278.7 million Shares as at 10 March 2025, being the latest practicable date prior to the date of this letter). For details of the Irrevocable Undertakings see paragraph 3 (*Irrevocable Undertakings*) below.

Each of the Significant Shareholders has undertaken to elect to receive Scrip Dividend Shares instead of cash in respect of their entire holdings of Shares and their full entitlement to the Proposed Dividend pursuant to the Irrevocable Undertakings and as a result will receive an aggregate of approximately 10.84 million Scrip Dividend Shares (based on the Illustrative Reference Price and ignoring any reduction in respect of fractions), representing approximately 3.7% of the issued ordinary share capital of the Company on a fully diluted basis following the issuance of the Scrip Dividend Shares (based on the issued ordinary share capital of the Company (excluding shares held as treasury shares) as at 10 March 2025, being the latest practicable date prior to the date of this letter and assuming that (i) the Scrip Dividend Shares are issued at the Illustrative Reference Price; (ii) no other Qualifying Shareholders elect to receive the Scrip Dividend Alternative and (iii) no further Shares are issued by the Company prior to the issuance of the Scrip Dividend Shares).

If all Qualifying Shareholders (including the Significant Shareholders) were to elect to receive the Scrip Dividend Alternative, a total of approximately 11.72 million Scrip Dividend Shares would be issued (based on the Illustrative Reference Price and ignoring any reduction in respect of fractions), representing approximately 4.0% of the issued ordinary share capital of the Company on a fully diluted basis following the issuance of the Scrip Dividend Shares (based on the issued ordinary share capital of the Company (excluding shares held as treasury shares) as at 10 March 2025, being the latest practicable date prior to the date of this letter and assuming that (i) the Scrip Dividend Shares are issued at the Illustrative Reference Price; (ii) all Shareholders are Qualifying Shareholders and (iii) no further Shares are issued by the Company prior to the issuance of the Scrip Dividend Shares).

### **3. Irrevocable Undertakings**

As indicated in the Bond Listing Particulars, each Significant Shareholder has provided an irrevocable undertaking to the Company (the “**Irrevocable Undertakings**”) pursuant to which each such shareholder will elect to receive a scrip dividend in respect of their entire holdings of Shares and their full entitlement to any dividend proposed in the event that the Board offers a Scrip Dividend Alternative in order for the Company to comply with the Dividend Restrictions. As noted above, this is the case in respect of this Proposed Dividend and, therefore, following such election, each Significant Shareholder will receive the Scrip Dividend Alternative in respect of all of their entitlement to the Proposed Dividend.

As at 10 March 2025 (being the latest practicable date prior to the date of this letter), the Significant Shareholders held a total of approximately 257.9 million Shares, representing approximately 92.5% of the issued ordinary share capital of the Company (excluding shares held in treasury).

### **4. Actions to be taken**

#### **(a) Non-CREST Qualifying Shareholders**

If you are a Qualifying Shareholder and hold share certificates for your Shares, in order to elect to receive Scrip Dividend Shares in relation to **ALL** of your entitlement to the Proposed Dividend you must either complete the online Scrip Mandate Form available at <https://www.globalworth.com/investor-relations/corporate-documents/> or elect via the Investor Centre.

If you are a Qualifying Shareholder and hold share certificates for your Shares, in order to elect to receive Scrip Dividend Shares in relation to **PART** of your entitlement to the Proposed Dividend you must complete the online Scrip Mandate Form available at <https://www.globalworth.com/investor-relations/corporate-documents/>.

Your completed Scrip Mandate Form must be received by the Company's registrar by no later than 5.00 p.m. on 4 April 2025. If it has not been received by then, you will receive your full entitlement to the Proposed Dividend in respect of all of your Shares in cash.

The entitlement to elect to receive the Scrip Dividend Alternative is personal and non-transferable.

**(b) CREST Qualifying Shareholders**

If you are a Qualifying Shareholder holding your Shares in CREST and wish to receive Scrip Dividend Shares in respect of all or part of your entitlement to the Proposed Dividend, you should submit a Dividend Election Input Message (as defined in the CREST Manual) by 5.00 pm on 4 April 2025. If it has not been received by then, you will receive your full entitlement to the Proposed Dividend in respect of all of your Shares in cash.

**(c) If you do not wish to receive any Scrip Dividend Shares**

If you would like to receive your entitlement to the Proposed Dividend in cash in respect of all of your Shares, you should take no action. Your entitlement to the Proposed Dividend will be paid to you in cash in the usual way on the dividend payment date (see "*Expected Timetable of Events*" on page 2 of this document). This will not prevent you from choosing to receive any future dividends in the form of new Shares where a scrip dividend alternative is offered by the Company, subject to applicable legal and regulatory requirements at the time.

**(d) Non-Qualifying Shareholders**

If you are not a Qualifying Shareholder, you may not elect to receive any Scrip Dividend Shares and you should take no action. Please note that all Shareholders who are located in, or who hold on behalf of persons located in, any of the Excluded Territories are not Qualifying Shareholders for this Scrip Dividend Alternative. If you are not a Qualifying Shareholder and were registered as holding Shares on the Record Date, your dividend will be paid to you in cash in the usual way on the dividend payment date.

**5. General**

The Scrip Dividend Alternative is governed by and to be construed in accordance with English law. By completing a Scrip Mandate Form or submitting a Dividend Election Input Message, Qualifying Shareholders agree to submit to the exclusive jurisdiction of the English courts in relation to the matters in this letter.

No acknowledgement of Scrip Mandate Forms or Dividend Election Input Messages will be issued.

Subject to satisfaction of the conditions set out in this letter, definitive share certificates for the Scrip Dividend Shares held outside CREST will be posted, at the risk of the persons entitled thereto, on 25 April 2025, while CREST members should have their accounts credited on 25 April 2025.

Application will be made to the London Stock Exchange plc for admission of the Scrip Dividend Shares to trading on AIM.

Dealings in the Scrip Dividend Shares are expected to begin on 25 April 2025. In the unlikely event that the London Stock Exchange plc does not agree before 25 April 2025 to admit the Scrip Dividend Shares to trading on AIM, or if any of the other conditions for the Scrip Dividend Alternative in paragraph 1 of this letter are not satisfied, the Scrip Mandate Forms will be disregarded and the Company will pay the Proposed Dividend in cash in euros in the usual way as soon as practicable on or after 25 April 2025.

The Scrip Dividend Shares will on issue rank pari passu in all respects with the existing Shares (except for participation in the Proposed Dividend) and will rank pari passu for all future dividends.

## **6. United Kingdom taxation of the Scrip Dividend Alternative**

The following is a general summary of the UK tax consequences of electing to receive Scrip Dividend Shares under the Scrip Dividend Alternative instead of a cash dividend and is based on current UK law and HMRC practice published and in force as at the date of this letter (each of which is subject to change possibly with retrospective effect). It applies only to UK-resident Shareholders who are the beneficial owners of their Shares and who hold their Shares as an investment. The following summary does not address the position of certain classes of Shareholders, such as dealers in securities.

Shareholders should consult their own professional tax advisers in relation to the tax consequences of electing to receive Scrip Dividend Shares instead of a cash dividend in respect of all or part of their holding of Shares and their entitlement to the Proposed Dividend as this will depend upon their individual circumstances. Shareholders who are in any doubt as to what action to take, or who are subject to tax in a jurisdiction other than the UK, should consult an independent professional adviser.

### **(a) UK taxation of UK-resident individual Shareholders**

UK-resident individual Shareholders who elect to receive Scrip Dividend Shares from the Company in place of the cash dividend are not expected to be liable to UK income tax on receipt of the Scrip Dividend Shares.

For capital gains tax purposes, the Scrip Dividend Shares are expected to be treated as the same asset acquired at the same time as the Shareholder's original shareholding in the Company. On a subsequent disposal of the Scrip Dividend Shares, UK-resident

individual Shareholders may, depending on their individual circumstances, be subject to capital gains tax in respect of the chargeable gains arising on the disposal.

**(b) UK taxation of UK-resident corporate Shareholders**

UK-resident corporate Shareholders who elect to receive Scrip Dividend Shares from the Company in place of the cash dividend are not expected to be liable to UK corporation tax on receipt of the Scrip Dividend Shares.

For chargeable gains purposes, the Scrip Dividend Shares are expected to be treated as the same asset acquired at the same time as the Shareholder's original shareholding in the Company. On a subsequent disposal of the Scrip Dividend Shares, UK-resident corporate Shareholders may be subject to corporation tax in respect of the chargeable gains arising on the disposal.

**(c) UK stamp duty and stamp duty reserve tax**

No UK stamp duty or stamp duty reserve tax is payable on the issue of Scrip Dividend Shares pursuant to the Scrip Dividend Alternative.
